A biweekly publication providing the latest school and community events to help keep our readers informed.

On October 1, 2019, Eisenhower students took a field trip to one of the largest indoor aquariums in the world, The Shedd Aquarium. One of the main purposes of the Shedd is to change how students think and feel about protecting the aquatic life for future generations.

Field trips are a way to take the classroom experience beyond the walls. At the Shedd, the students

get the opportunity to touch and feel the aquatic animals. Suddenly, the pages of their tech book are brought to life. The children see the aquatic animals up close and personal. They were able to see where they hide and sleep; and meet the people who take care of them.

This was a great way to learn about aquatic animals outside of the classroom.

To strengthen their team, Coolidge Middle School and Madison School went bowling.

Although, bowling can be viewed as an individual sport, it is more enjoyable as a team sport.

On two different days the staff of Coolidge Middle School and Madison School took their team building activity to the alley, the Bowling Alley. There, they worked as a team to see who would become the victor instead of focusing on the individual.

C.L.A.S.S. Sunday Funday

Each year the ladies of C.L.A.S.S. kick off our Fall intercession with our "Sunday Funday". This is an opportunity for the young ladies to build a positive rapport with one another as well as their mentors. This day is filled with fun and activities. Some of the activities this year included a full breakfast and lunch, a "Battle of the Teams" physical fitness obstacle course, crafty t-shirt designing, a personalized video message from Shandia Booker, the author of the book *Dear Brooklyn, Love yourself*. This year we will be using this book to help supplement our mentoring sessions. We will be covering a variety of topics including self-esteem, friendships and conflict resolution. In addition to the bonding time the ladies also engaged in a service project where they were asked to donate 1 unexpired can food item and 1 personal hygiene item which we will use in a later service project to help those less fortunate. Also as an act of service each girl was asked to donate \$2 to go toward our donation to Feed My Starving Children. These ladies have been very busy and it's only the first quarter! We are looking forward to what's to come.

Eisenhower's Hispanic Heritage Celebration

Eisenhower's students paid tribute Hispanic Heritage Month through song and dance. Hispanic Heritage is recognized September 15 - October 15th. September 15 is significant because it is the anniversary of independence for Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18. Also, Columbus Day or Día de la Raza, which is October 12, falls within Hispanic Heritage Month.

South Holland School District 151 was asked to the headquarters for the Delta Sigma Theta's Regional Day of Service. The Delta's helped clean the Phoenix and South Holland communities; supplied community resources; and provided manicures to Senior Citizens. Breakfast and Lunch was provided to the volunteers.

This is the Village of South Holland Department of Parks and Recreation's 2nd Annual Cancer Walk. The Walk is held in Veterans Park and it celebrates of Cancer Survivors and loved ones that lost the battle. The last two events were held during the month of October. Ms. Campbell from the Information Technology Department Chairs the Parks and Recreation Committee.

The Nature Museum is the one of the only museums where **TAFT** students can get up close and hands on with turtles, snakes, and insects. This field trip is known for stimulating and exciting the students' minds. The Nature Museum features rotating exhibits throughout the year that always keep the experiences fresh.

Color Me Pink 5k Walk/Run

On October 19, 2019 the Ladies of CLASS hosted our 1st annual Color Me Pink Breast Cancer Awareness Walk. This event was sphere-headed by Ms. Allen and Ms. Crowder, two of the CLASS mentors, with the support of the other CLASS mentors, the young ladies of CLASS, the district and building administrators, the Board of Education, the Village of Phoenix, the district staff, Coolidge Band, under the direction of Mr. Moody, and district families. This very fun event was instrumental in bringing the schools and communities together for a good cause. There was fun, food, music, competitive spirits and lots of laughter present at this event. We are looking forward to next year's event. We would like to thank everyone who participated in this event for their love and support.

Let's do the Math for Health

During our Fall intersession, many of the young ladies of CLASS sacrificed a week of their vacation to come in and prepare for upcoming performances as well as improve their overall physical health. The ladies have been taught how physical health can impact their performance. In the pictures above, you see some ladies from the CLASS Flag team, under the direction of Mrs. Foxworth and Assistant Mrs. Hoofe, working with some ladies from the CLASS Dance team, led by Ms. Lott and Assistants Ms. Brown and Ms. Love, to prepare for their upcoming performance at the Color Me Pink Breast Cancer Awareness 5K walk.

The Book and Art Clubs at **Madison** took a tour of "Stories in Art". Each student received a Free Family Pass.

On November 16, 2019, the District will be giving away coats. If your child is in need a new coat, be on the lookout for registration information.

However, if you would like to donate new coats, send me an email, vbradley@shsd151.org

Some of the Ladies of C.L.A.S.S. have been working extremely hard in preparation to deliver a dynamic dance performance as part of a team effort with the Hispanic Culture Club. This particular group of ladies are a part of the CLASS Dance Performance Team (a component of CLASS). This group is led by three of the seven C.L.A.S.S. mentors, Ms. Lott and Assistants, Ms. Brown and Ms. Love. In some of the pictures shown, the ladies are practicing their routine and even in the pictures, their personalities shine through! Also pictured, are photos from the actual Hispanic Culture Club performance. Each individual adds a unique set of skills and personality traits to this dance group, C.L.A.S.S. as a whole, and the world in general. The ladies of C.L.A.S.S. continue to develop into extremely well-rounded individuals.

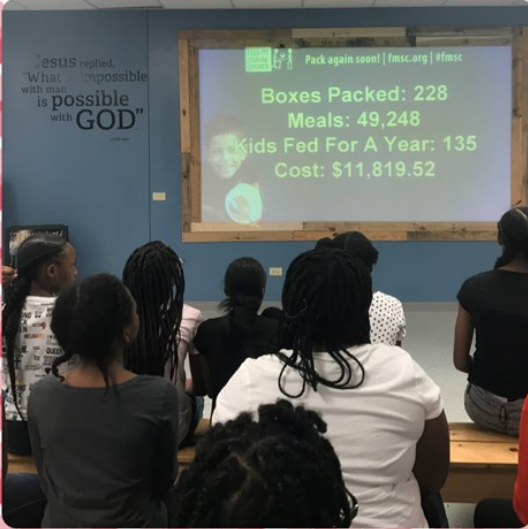

EISENHOWER NACHOS

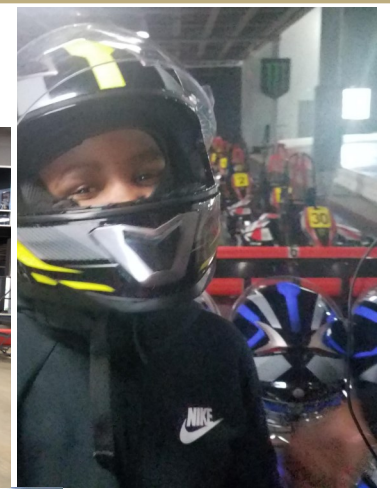

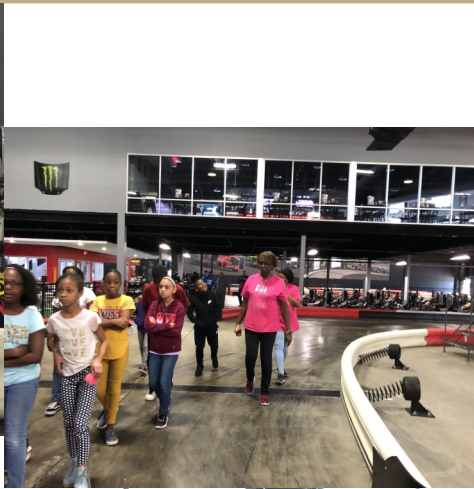

Eisenhower School held a Nacho Fundraiser. Money raised from this fundraiser is placed in the activity fund to off-set the cost of school field trips and student activities. Thank you for your support!

The Ladies of C.L.A.S.S. kicked off the October 2019-2020 Intersession with one of our favorite service projects. We visited Feed My Starving Children facility located in Aurora Illinois. The young ladies, mentors and parent volunteers joined together in a team effort to pack food boxes for those in need. Together we packed over 200 boxes and were able to feed 135 children for a year.

Madison students took it to the track. They had a great time at Accelerate where they had the opportunity to race around the inside race track.
